Merced Irrigation District is inviting children between the ages of 6 and 12 to submit their best artwork for the Annual MID Water and Canal Safety Poster Contest. The contest is intended to promote awareness about the dangers of playing in and around open canals and other waterways.

The four top winners will receive two season passes to the Island Water Park in Fresno. Ten runner-up winners will receive overnight camping passes to Lakes McClure and McSwain. The winners will additionally have their posters displayed in the MID lobby.

Posters must be no larger than 11 by 17 inches and pertain to water and canal safety. All submissions are due to MID's office by 3 p.m. on Tuesday, May 31. MID is located at 744 W. 20 St. in Merced. The winners will be announced on Wednesday, June 1.

Name, address, phone number, school, and age should be printed on the back of the poster.

For teachers and other educators, downloadable presentations can be found at MID's "[In the Community](#)" in the News section of Mercedid.org.
