Online

www.mercedid.org (24/7)

Choose the WATER tab. Under the Order Water section, choose Online Account Manager. If this is your first time using the online ordering system, you must first set up an account. Please see the "Apply for Online Access" section below or call a Customer Service Representative for assistance setting up your account. **You only need to set up your account once.**

In addition to placing water orders anytime, anywhere with an internet connection, this interactive site also provides several other valuable features, including the ability to:

1. Manage your account by viewing water orders, usage statements, consumption totals and billing information.
2. Make payments online via eCheck.

Apply for Online Access:

1. Go to www.mercedid.org
2. Choose the LOGIN tab. Under the Water Customer section choose set up an account.
3. Enter a user name and password. Fill in remaining fields.
4. Click "Continue" at bottom of the page.
5. Confirm all information is correct and record or print for future use.
6. Click "Logout."

You will receive a confirmation email once your online account access request is received and approved by MID Customer Service.
