Merced Irrigation District will hold a Board of Directors meeting at the Merced County Administration Building on Thursday November 21, 2013 at 10 a.m.

A scheduling conflict arose at the Merced Civic Center, where the MID Board normally meets, after MID had already released and posted its agenda for the Thursday meeting.

As a result, the MID board will meet at the Board of Supervisors Chambers, located at the Merced County Administration Building, 2222 M St. The meeting location change has been posted on MID's website and at its main office. It has also been posted at the Merced Civic Center and at the Merced County Administration Building. MID officials will be present at the Civic Center on Thursday to re-direct participants to the nearby changed meeting location.
