The Merced Irrigation District, hereinafter MID, offers a maximum rebate of \$150,000 per year, per customer and will not exceed 60% of the project's cost (equipment plus labor). Customer projects must be inspected and require approval by an authorized MID representative to ensure availability of funds prior to issuance of rebate. To ensure availability of funds prior to construction please call our Public Benefits Department at 209-354-2819. To schedule an inspection once project is complete please call 209-354-2819.

Upon signing this agreement, customer understands and agrees to the following:
 MID may discontinue this rebate program at any time, and it is limited to the availability of funds. MID disclaims any warranty, whether expressed or implied, regarding the mechanical equipment installed, or for any materials or labor associated with its installation, maintenance, repair, or any energy savings associated with its use.

MID offers its **Commercial/Industrial Mechanical Equipment Rebate Programs** to any MID commercial, industrial or agricultural customer who is currently receiving electric service from the District. Rebates will only be issued for projects that show an overall wattage reduction as determined and approved by an MID representative.

I understand the above and certify that I am a customer of Merced Irrigation District and the **above mentioned products** will be installed at the location indicated above and that **sales transactions and product installation verification** will be provided to MID prior to rebate issuance.
