

SOLICITATION AWARD FOR MID-RFP-2017-15
Hydroelectric Communications Project

1/23/2017

To: All Our Bidders

From: Joseph Chance, Project Manger

Subj: MID-RFP-2017-15 Award

Merced Irrigation District is pleased to announce that American System Controls and Integration INC. will be the contractor for the Hydroelectric Communications Project MID-RFP-2017-15.

We wish to thank all those who participated in the RFP process and thank you for your hard work in providing us your proposals. You will be retained in our system for future solicitations and wish you luck in your future endeavors.

Sincerely,

Joseph Chance
