

Lake McClure's Bagby Recreation Area will support Detwiler Fire Restoration

July 31, 2017

As PG&E works to restore power poles damaged from the Detwiler Fire, the Bagby Recreation Area on Highway 49 will serve as a staging point for utility restoration efforts. During this time, Bagby Recreation Area may be temporarily closed. PG&E anticipates completing the work by Aug. 21, 2017. MID Parks and Recreation is pleased to offer its support to ongoing restoration efforts in Mariposa County.
