## MID Grower Meetings

### Overview of MID's

## "Developed Water Supply" Program

*See attached letter summarizing SGMA, MIUGSA and MID's Developed Water Supply Program*

MID will host four (4) meetings, one for each distribution area. It is vitally important you attend the meeting for your distribution area. If you cannot make the meeting for your distribution area, you should attend another scheduled meeting. Estimated time is approximately 4 hours.

#### **Meeting Location:**

#### **MID's Franklin Yard**

3321 North Franklin Road

Merced, CA 95348

*Crocker Huffman Conference Room*

#### **Distribution Area**

Livingston A, B & C Areas

Escaladian A & B Areas

Fairfield A, B, & C Areas

Le Grand A & B Areas

#### **Date/Time**

November 14, 2022, 9:00 AM

November 15, 2022, 9:00 AM

November 16, 2022, 9:00 AM

November 17, 2022, 9:00 AM

#### **Meeting Agenda**

1. A Representative from the Merced Irrigation-Urban Groundwater Sustainability Agency (MIUGSA) will provide an overview of the State's Sustainable Groundwater Management Act (SGMA) and MIUGSA's plans to manage local groundwater resources sustainably, including **new regulations impacting groundwater pumping.**
2. MID Staff will provide an overview of MID's new "Developed Water Supply" Program which will help MID growers meet the challenges of MIUGSA's regulations impacting groundwater pumping.
3. Individual sessions with growers and MID Staff to help growers understand the resources available to them to meet the challenges of SGMA and MIUGSA regulations impacting groundwater pumping.
